LOCK OFF NEEDED

A satellite map of the Al Raha Creek area in Dubai, showing the creek's path through urban and semi-urban landscapes. The map is overlaid with several arrows indicating flow directions: a thick orange line with arrows pointing generally from the top-left towards the bottom-right, and several green lines with arrows pointing in various directions, including one pointing towards the top-right and others pointing towards the bottom-left and bottom-right. The map includes labels for 'Al Raha Creek' in two locations. The bottom of the image shows a portion of the Google Maps interface, including a 'Layers' button and a '3D' toggle.

Full lock off required on one side and traffic allowed to follow on the outside of the locked off area.

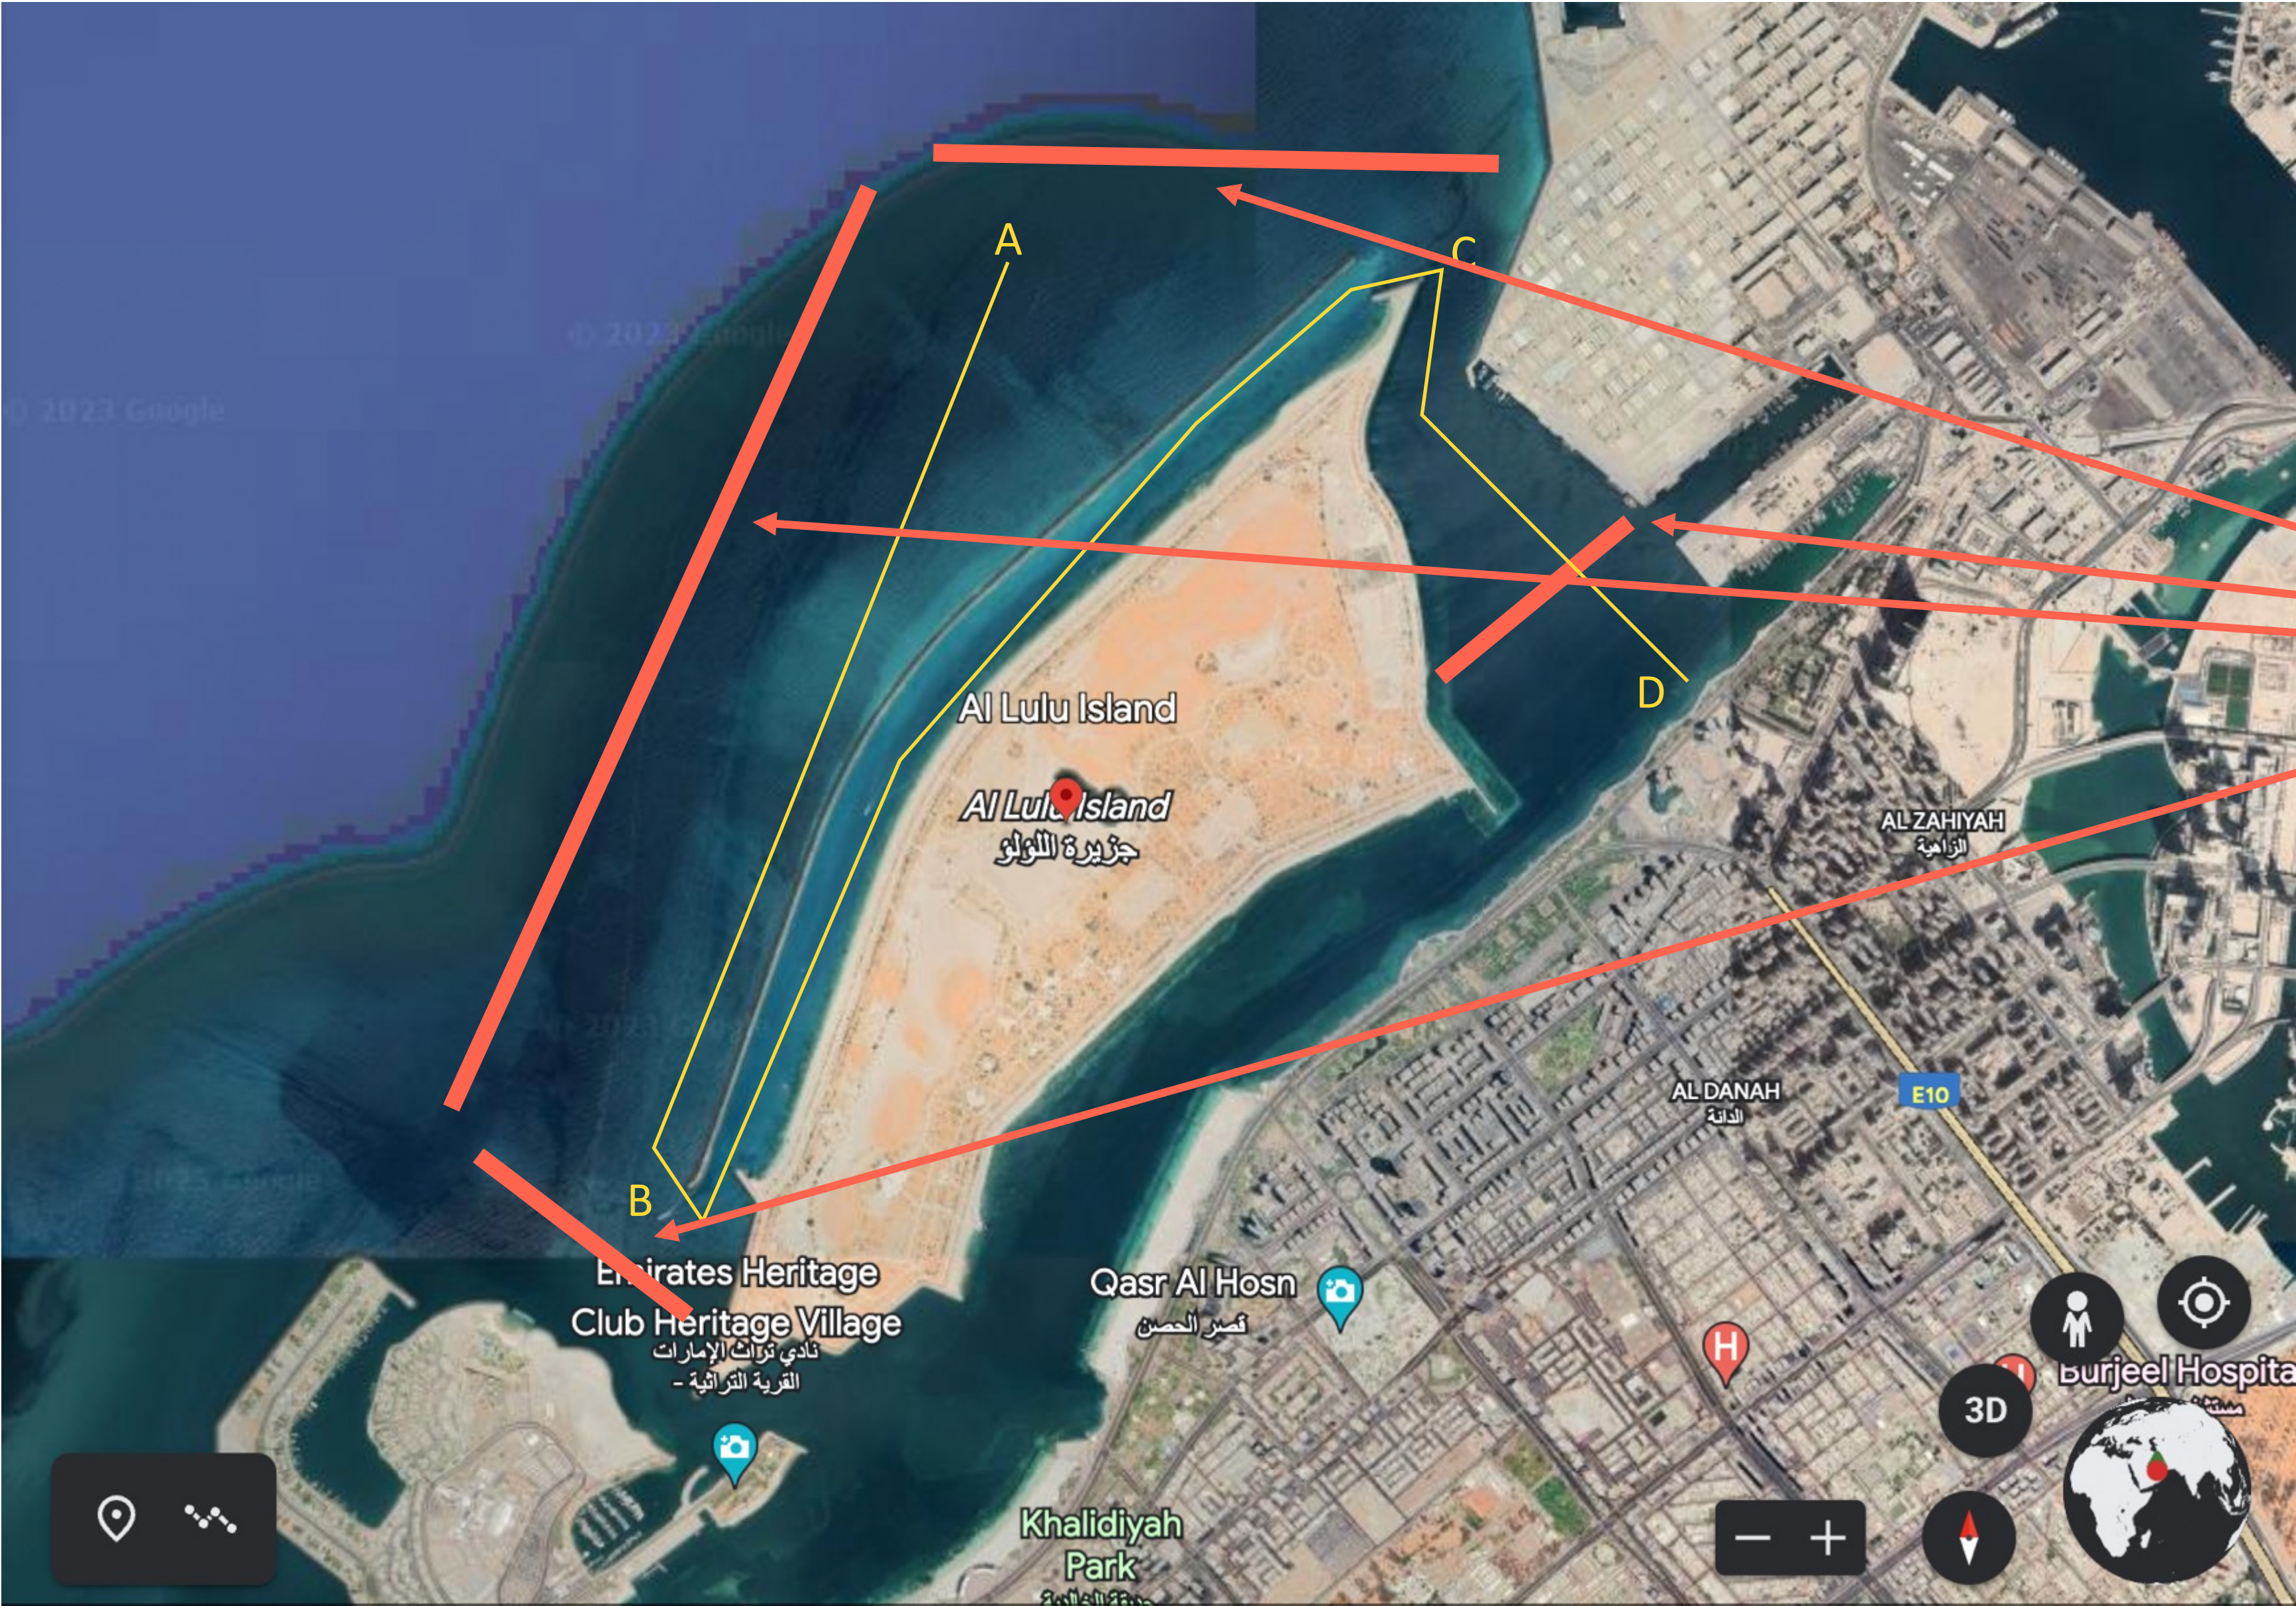

If any emergency service or VVIP need to pass through, please provide us time to stop activity to let them pass safely
