LOCAL MARINE NOTICE IN ABU DHABI

To : All users of waterways, mariners and maritime operators in Abu Dhabi

النشرة البحريّة المحليّة لإمارة أبوظبي
إلى : جميع مستخدمي الممرات المائية والبحارة
والمشغلين البحريين في أبوظبي

Location : Waterways from East of Bu Tinah Island to West of Mubbaraz Island, Abu Dhabi

الموقع : الممرات المائية الممتدة من شرق جزيرة بوطينة حتى غرب جزيرة مبرز، أبوظبي

Subject : Offshore ADNOC Seismic Operations

الموضوع : عمليات مسح أدنوك الزلالي

With reference to the Local Marine Notice (LMN) Ref: ADM/LMN/2025/79, issued on 24/08/2025, please be informed that seismic operations will continue in the Waterways from East of Bu Tinah Island to West of Mubbaraz Island, till 24th November 2025, as indicated on the updated illustrative map attached.

These areas are designated as NO GO zones for specific types of vessels, such as tugboats towing barges or platforms, marine units carrying subsea equipment, and cable-laying vessels, due to the risk of entanglement with seismic equipment. If other types of vessels are operating in these areas and intend to transit, please contact Offshore Safeena on CH 16/74 for further coordination.

All waterways users and marine operators are required to take all necessary actions and instruct their Masters/Operators to be vigilant and stay well clear of the area of operations and adhere to following Instructions:

1. All concerned parties to be aware that in the area indicated, the seismic equipment will be deployed on the seabed as well as on water surface.
2. Fishing, anchoring stoppage and diving operations in this area are strictly forbidden.
3. This LMN to be read in conjunction with ADNOC Circulars/Marine Notices issued for the same project.
4. List of the relevant Siesmic Survey Vessels and their communication channels is attached as well.
